

To Whosoever this may concern

2023-07-01 LUND

Yongho Jung (hereinafter Keith) date of birth 1988-08-25 has been working in Global Product Compliance Europe AB (hereinafter GPC) a global market leader in Chemical Regulatory Compliance having offices in 10 different countries and a head office in Lund, Sweden. Keith has worked in GPC's Head office in Sweden from September 2016 till June 2023. During this period Keith has helped GPC set up and start its Korean entity (SSS Korea Ltd) and coordinate all the activities with the Korean office. He had the sole responsibility from coordinating with the local consultants in Seoul for setting up a GPC legal entity and also all activities for Chemical compliance management for GPC for the Korean Chemical regulation. Keith being a native Korean speaker has also worked for the notification/registration and related chemical compliance related consultancy for our clients to the Korean authorities.

Keith has in this position specifically worked for Corporate administration and business management, Consortium management and dispute resolution, Korean regulatory and legal advice, Regulatory affairs consulting for K-REACH compliance, K-REACH notification and registration, Corporate agreements, MoUs, and partnerships and Supply chain communication and account management and last but not the least Authoring and auditing Korean Material Safety Data Sheets (MSDS).

Keith has also worked in GPC as Digital Marketing and Web Manager from March 2020 till the end of his employment in GPC. In this position he was responsible for Web strategy, planning and website design, Website assessment, analysis, and web analytics, Manage, operate, and maintain websites (CMS management), Develop and execute search engine optimization (SEO) strategies, Planning and execution of online advertising and marketing

campaigns including search engine marketing (SEM), Website performance monitoring and web optimization, Web hosting management and communication, Advice for improving web design and user experience, Executing customer relationship management (CRM) and automation, Email marketing and automation, Website localization and event promotion, Other Web and Digital Marketing Consulting Services.

Keith has always shown dedication and attention to detail. Keith has been a reliable and sincere employee. He has proven to be an effective and integral part of the organisation. He has shown to take initiative and devise solutions efficiently. He can cooperate with others in the organisation and show respect to procedures of the organisation. He clearly has the ability to succeed in his professional life. Keith resigned from his position voluntarily due to personal reasons. GPC wishes him all the best for his professional career.
